

MES FINANCES

MY FINANCES 101 DESJARDINS FINANCIAL LITERACY WORKSHOPS FOR YOUTH

Thanks to a balance between theory and practice, combining games, quizzes, role-playing, and exercises, our financial literacy workshops are highly successful in elementary and secondary schools.

Our team of trainers is available to lead workshops online or in person throughout the year.

We work closely with teachers to make sure their students have a great time while learning.

MY FINANCES 101 PROGRAM
